As a student in this co-op, I understand that I am part of a learning community. I agree to do my part to help make this co-op a respectful, safe, and productive place for everyone. I agree to the following:

✓ Respect

- I will respect my teachers and classmates by listening, following directions, and speaking kindly.
- I will treat the building and supplies with care.
- I will follow rules set by my teachers and the co-op.

✓ Responsibility

- I will attend my classes regularly and arrive on time.
- If I have to miss class, I (or my parent) will let the teacher know.
- If my class has homework, I will do my best to complete it.
- I will keep phones and other devices put away during class unless the teacher says otherwise.

✓ Participation

- I will come to class prepared to learn and do my best to participate.
- I will try to stay focused and not distract others.
- I will NOT leave class without communicating with my teacher.
- I will ask for help if I'm confused or having a hard time.

✓ Community Responsibility

- I will do my part to help maintain the best possible learning environment for myself and my classmates.

I understand that if I choose not to follow these expectations:

- I may be asked to leave class and sit with a hall monitor.
- My parent may be asked to attend class with me.
- I may be required to re-watch the co-op orientation.
- If the problem continues, I may be removed from the class.
- I understand that these steps are not punishments, but ways to help me learn to take responsibility and make better choices.
